TB12 BT

TB12BT is a small but big portable compressor fridge/freezer belonging to the newest range from indel B. It has high performances with temperatures up to  $-18^{\circ}\text{C}$  and it can be controlled via smartphone thanks to its bluetooth connection and the App available both for iOS and Android. Elegant, light and classy it has been designed to be used for both outdoor and indoor situations: thanks to its optional power converter you can transform it in a proper domestic fridge easy to move. From now on you will be able to join dinner parties with your new portable fridge/freezer bringing with you all the ingredients without problems.
